Registration & Breakfast 8am

Jessie Ball duPont Center
40 East Adams St.
Jacksonville, FL 32202
Lecture Hall, 2nd Floor

Presented by:

L. Dara Baldwin, MPA, Senior Public Policy Analyst
National Disability Rights Network

Disability Rights and Girls' Rights

- Introduction to disability history, sensitivity, and inclusion
- Learn about Americans with Disabilities Act (ADA)
- Disability laws that affect young girls
- Disability rights language
- Resources for increased knowledge about girls with disabilities in the juvenile justice system

According to the United Nations, people with disabilities are the world's largest minority, making up 10 percent of the population. By attending this training, participants will be able to:

- ◇ Define disabilities and the movement to advocate for people with disabilities.
- ◇ Identify common disabilities amongst girls.
- ◇ Learn about inclusive language
- ◇ Identify important federal public law governing girls' rights.
- ◇ Describe the intersections of race, gender, and disability in juvenile justice practice.

Who Should Attend:

Educators	Parents	Social Workers
Youth workers	Students	Religious leaders
Case Managers	Therapists	People with disabilities
Disability advocates	Attorneys	Nonprofit leaders

Registration is \$10 per person
